School Closure

The decision to cancel school due to hazardous weather or emergencies is made by the Superintendent and is based on information gathered from various agencies and personnel. The cancellation announcement will generally be made by 6:00 a.m. of the school day, following a check of road conditions by the school district transportation director and other key personnel and agencies.

Information regarding school cancellation will be given to the following media sources:

Radio Stations	Television Stations
KBOI - AM 670	KTVB - Channel 7
KIDO - AM 630	KIVI - Channel 6
KMHI - AM 1240	KBCI - Channel 2
	FOX - Channel 12

Given hazardous or emergency conditions, the start of the school day may be delayed while roads are cleared or other situations are addressed. School buses will run their normal routes at the later time.

For more information on School Cancellation, Closure, or Late Start (Weather/ Emergency Related), and Inclement Weather Procedures please go to the Mountain Home School District web site.

Blackboard

When there is a school closure or a delay, the district message system will call to let you know. Please check to make sure your phone number is current in the Emergency Messaging section in the Parent Portal of Power School. You may put home phone numbers or cell phone numbers or both. You can put up to 3 phone numbers for calls, 4 cell phones for texts, and 4 email addresses for emails. Please remember it will call all those numbers that are entered so only enter numbers that you want called.

Phone and Address Updates

We have had a few issues getting ahold of parents with sick children. If you have gotten a new phone number or moved, please either call the school to give the office the updated information or log onto PowerSchool and enter the updates.

End of 2nd Quarter

The end of the 2nd quarter will be the last day before Christmas Break, December 21st.

This will be a regular 3:00 PM release.

Report cards will be sent home when we return back to school.

Parking Lot

Please *do not* drive through the parking lot in the mornings. Many parents are parking and allowing children to run across the parking lot into the school. Children are difficult to see between parked cars. Our goal is to have students arrive safely to school. The best places to drop off children are on 3rd East in the drop off lane or along the sidewalks where children can follow the sidewalks in to school. Thank you for your cooperation!

Yearbooks

We are selling yearbooks again this year. Students enjoy seeing their pictures published in the yearbook. Cost is \$18.00 again this year. There will be 40 colorful, fun, and exciting pages of our students. Please watch for information coming home soon. Yearbook orders need to be placed by February 23rd.

Box Tops

We do collect BoxTops throughout the year. Students may give their BoxTops to their teachers.

We also collect empty printer cartridges throughout the year.
