## Playground Before School

When we have snow outside and the bell rings for recess our students want to play in the snow. Students have been told if weather permits us to go outside students with boots, snow pants, coats, hats, and gloves will be allowed to play in the snow. Having the correct equipment will allow students to have fun outside while still being dry and warm when the bell rings to come in for learning. If the blacktop is full of snow and ice we will not be able to go outside.

## North Elementary Expectations

Most students are doing a great job being Responsible, Respectful, and Safe in the classrooms, hallways, bathrooms, playground and lunchroom. Ask your children if they stayed on the positive side of their classroom behavior tracker daily. We have had quite a few weeks where we scored 96% of our students staying on the positive side all week!

## Thank You!

North Elementary would like to thank all of our parents and guardians for keeping sick students at home, quarantining students when needed, and contacting us for school guidelines during this crazy time. It is a pleasure to work as a team with you! Thank You!!!

## Parent Teacher Conferences
