

The **North Star**

ColorCycle is a sustainability initiative designed to repurpose Crayola markers. North participates in this program. Please send your dried-up markers to school for recycling.

North Stars News

March 2020

Mrs. Straw, Principal

School Mall Fundraiser

Thank you for your support with our School Mall Fundraiser.

Parking Lot

We would like to again thank you for your support with the parking lot safety! Not entering the parking lot from 7:55 to 8:35 makes it safe for all students who are dropped off from the outside parking spots and those that walk. **Thank You!!!!**

Toys at School

We have some students who are bringing balls and other toys to school. When students bring these toys to school it is a distraction from their learning and causes arguments between students. Please remind your child that toys need to stay at home and are not allowed at school.

Purposity

The Mountain Home School District has formed a partnership with Purposity. Its name comes from purpose + generosity, and it's designed to connect the individual needs of people near you with neighbors, like you. To join the movement to support Mountain Home School District, download the app and be sure to follow the Mountain Home School District.

Looking Forward to Next year

In April North Elementary will send home a questionnaire to parents to let us know if their child/children will attend North Elementary for the 2020-21 school year. At that time parents may share input for their child/children's teacher/s. Parent input for teachers will **NOT** be accepted in August as classes will already be made. Registration for all returning students will be the month of May. Registration can be completed at home or at school between 9AM and 2PM.

Full Day Kindergarten

North Elementary will be having full day kindergarten next year. Registration for Kindergarten will be May 6th from 1:00PM to 6:00PM. At the time of registration, we would like to do a screener with all kindergarteners just so we can be prepared for their amazing skills. Please bring your (2020-2021 school year) kindergartener to the registration. Also be sure to bring their Birth Certificate and Shot Record.

North Elementary is committed to learning today for tomorrow's world.

Dr. Seuss Celebration at North Elementary

We will be celebrating Dr. Seuss' birthday by having a Dr. Seuss Celebration Monday, March 2 from 5:30 to 6:45 PM. We hope you will join us. Students with their families will be invited to listen to community members read their favorite Dr. Seuss stories, do a "Book Walk" in the gym in hopes to win a free book, play some fun Dr. Seuss games, complete a Dr. Seuss booklet and art activity, and/or do a science experiment; Dr. Seuss Slime. (Due to popular demand we will have 2 rooms for the slime this year hoping to get all the students to make slime.) Families will be moving every 15 minutes to a new station. Doors will open just before 5:30 PM in hopes to start the first activity on time. Hope to see you here!

BoxTops and Pop Can Tabs

Please continue to collect BoxTops, pop can tabs, and ink cartridges.
