Mrs. Straw, Principal

## North Elementary Parent Newsletter

### School Mall Fundraiser

We met our goal and should be receiving a \$500 bonus!!!! If students placed an order they should be here by Spring Break.

**Thank you for your support with our School Mall Fundraiser**

### Parking Lot

We would like to again thank you for your support with the parking lot safety! Not entering the parking lot from 7:55 to 8:35 makes it safe for all students who are dropped off from the outside parking spots and those that walk.

**Thank You!!!!**

### Toys at School

We have some students who are bringing Pokémon cards and other toys to school. When students bring these cards and toys to school it is a distraction from their learning and causes arguments between students. Please remind your child that toys need to stay at home and are not allowed at school.

### District STEM Night

District STEM Night will be held at Hacker Middle School on March, 6<sup>th</sup> 5:30-7:30. Free dinner served while supplies last.

### Kindergarten Art Show

On April 5<sup>th</sup> our kindergarten classes will be putting on an Art Show. We have some budding artists that are excited to show off their work. Please come join us from 5:30 to 6:30 PM on April 5<sup>th</sup> in the North Elementary gym.

### Looking Forward to Next year

In April North Elementary will send home a questionnaire to parents to let us know if their child/children will attend North Elementary for the 2019-20 school year. At that time parents may share input for their child/children's teacher/s. Parent input for teachers will **NOT** be accepted in August as classes will already be made.

### Full Day Tuition Kindergarten

North Elementary may also offer the tuition based full day kindergarten again. Parents can call North Elementary (208-587-2585) to let us know if they are interested in this program. Again, it is not definitely going to happen here at North Elementary but we would like to know if there is interest in a tuition based full day kindergarten.

### Dr. Seuss Celebration at North Elementary

We will be celebrating Dr. Seuss' birthday by having a Dr. Seuss Celebration Thursday, February 28<sup>th</sup> from 5:30 to 7:00 PM. We hope you will join us. Students with their families will be invited to listen to community members read their favorite Dr. Seuss stories, do a "Book Walk" in the gym in hopes to win a free book, play some fun Dr. Seuss games, go into a classroom to watch videos of famous people reading books (such as Justin Bieber reading "Cat in the Hat") while completing a fun Dr. Seuss booklet and/or do a science experiment; Dr. Seuss Slime. Families will be moving every 15 minutes to a new station.

Doors will open just before 5:30 PM in hopes to start the first activity on time. Hope to see you here!

### BoxTops and Soup Labels

Please continue to collect BoxTops and ink cartridges.

North Elementary is committed to learning today for tomorrow's world
