

North Stars News

May 2021

Mrs. Straw, Principal

Staff Appreciation

Teacher Appreciation is May 4th. We will be celebrating Staff Appreciation the first week of May. All staff in a school teach children. I would like to thank the staff at North Elementary for their hard work and dedication, especially this year with the pandemic. I appreciate them and all they do for our students! We have some themes for appreciation ideas on the calendar if you would like to participate.

Shining Stars

May 21st will be our last Star Day for the year. Please remind your children to use all of their Shining Stars on the 21st, they will not be able to use them next year.

Please make sure you have returned your students Chromebook and Cord to school by May 26th, the last day of school for the 2020-21 school year.

BoxTops

Please continue to collect BoxTops, Pull Tabs and ink cartridges.

Next Year's Registration

2021-2022 kindergarten and returning student registration will be held the month of May. For our new kindergarten through 4th grade student registration: log onto our school website <http://north.mtnhomesd.org/>, click on registration in the top bar, and then click on and complete the New Student Registration Form. It does have a spot for parents to upload the Birth Certificate, Shot Records, and any other legal papers parents need us to have. The form can't be submitted unless all required fields are complete. If you run into any issues, please call and we will try to help.

Our 2021-2022 students who are returning will need to be registered by parents logging into their PowerSchool Parent Portal, answering the questions, and updating the information. Bus and lunch forms will need to be completed in August. The registration or PowerSchool update process needs to be complete **before** they will be placed into a classroom. **Teacher request forms** will be shared in May and will need to be completed in May. No Teacher Requests will be accepted in August.

Wow! What a year this was!!

This has been an interesting and trying year for everyone. We would like to thank all of our parents for working with us here at North Elementary. It takes a team to teach children and this year we worked together to get this done. Though we enjoy working together we hope that we never have another year like we did this year. We are thrilled that we got to finish the school year all day every day at school. We learned so much. Students continued to learn and grow this year. We hope you all have a wonderful summer! See you next year!

End Of Year Celebration and Activities

We will be having an end of year celebration with some field activities on the playground on May 25th. We are hoping to have Kona Ice here again. The parent group, using extra Donut fundraiser funds, will be purchasing a kiddie size for each student. You are welcome to purchase Kona Ice after school that day if you wish.

North Elementary is committed to learning today for tomorrow's world
