

Parents/Guardians,

August 19, 2020

Wow! It has been a quick start to the school year! Your children have done amazing! They are getting used to wearing masks, social distancing, and following the expectations of the school and classrooms. It was great to meet all our new kindergarten students. It filled our hearts to have our students back at school. The more cautious we are with wearing masks, washing hands, and social distancing, the healthier we stay, the longer we will be able to continue seeing our students back at school.

We have had a few questions about bringing home lunches or breakfast. If you want your child to bring home a Lunch for AM students or a Breakfast for PM students, as well as Breakfast and Lunch for Fridays please make sure your child knows. If they aren't bringing one home please email or send a note to your child's teacher so they are aware and can try to help with this. Full price breakfast is \$1.35 and the cost of lunch is \$2.90. Families can apply for free and reduced lunches. Please remember that parents will be charged the qualifying amount costs.

Please help us keep our students safe by not sending them before staff is on the playground for each session. AM Session 8 AM for breakfast and 8:15 on the playground. PM Session 11:45 for lunch and 12 noon for the playground.

We are having a difficult time getting parent messages to students when they are called in late during the session. If you need to get a message to an AM student, please call by 10:45 AM. If you need to get a message to a PM student, please call by 2:30PM.

Just a reminder that this Friday will be the Meet the Teacher/Open House for our 1st through 4th Grades. We ask that each student only bring one parent into the building and everyone wear a mask. If you are unable to attend your specific time, please talk to your teacher.
